KING'S LYNN CIVIC SOCIETY

A society for people who think only the best is good enough for King's Lynn.

King's Lynn Civic Society has worked for over 60 years to improve the built environment for everyone for whom King's Lynn is home, workplace or leisure centre. This is a non-political pressure group with a track record of making a difference.

Our town is one of unique historic and architectural importance. It is also the regional centre of West Norfolk for industry, commerce, shopping, tourism and the arts.

We want to preserve the best of the past – but we are also concerned about the way our town evolves to meet growth and change.

We seek to influence plans by local authorities, property owners and developers to achieve the best outcome for their projects. We want them to look good and work well.

Our members enjoy:

A winter lecture programme.

A twice-yearly newsletter with an annual report each May.

Opportunities to influence town development.

The society organises the annual Heritage Open Day in King's Lynn, with support from the Borough Council, the Town Guides, local residents and businesses.

Our elected executive committee meets once a month. Sub-committees also comment on planning, visual image, and other matters as they arise.

The members are vitally important to our work. They combine a wealth of local knowledge and expertise with a fierce regard for the legacy we have from the past, while encouraging the best in new and modern buildings and town development.

An attractive, vibrant town attracts inward investment, and is a pleasure to live and work in. Join us today if you think that only the best is good enough for King's Lynn
